Dear Jongwon Lee,

Thank you for submitting your abstract entitled, *Weakly Supervised Learning for Predicting Recurrence and Invasion in Bladder Cancer from Transurethral Resection Specimens*, abstract number 1159, to the United States and Canadian Academy of Pathology's 114th Annual Meeting, March 22-27, 2025, in Boston, Massachusetts.

We are pleased to inform you that your abstract has been accepted for presentation. A final disposition letter will be emailed in late November. It will include information regarding the format of your presentation (i.e. poster or platform), the date and time of presentation, the presentation number, and additional instructions. A copy of the final disposition letter will also be available in your [abstract account](#).

Unless otherwise noted, all abstracts presented at the USCAP Annual Meeting are embargoed until the date and time of presentation. They cannot be presented in any national or international forum or be published (online or print) in abstract or manuscript form prior to first day of the USCAP annual meeting. USCAP reserves the right to lift the embargo on specific abstracts that are selected for promotion prior to or during the USCAP Annual Meeting.

The presenting author is required to register for the USCAP 2025 Annual Meeting and present the work in person. Registration for members will open on Friday, October 25, with full registration access opening on Friday, November 1, 2024.

We hope to see you at this year's [Annual Meeting](#) in Boston.

Sincerely,
Carlos Parra-Herran, MD
Chair, USCAP Abstract Review Board and Assignment Committee

Rhonda K. Yantiss, MD
Chair, USCAP Education Committee
